

If you intend to ask for money (or other help) within the City of Murfreesboro, you should know:

You do not have the right to block, obstruct, delay or interfere with users of a public sidewalk or users of a public street or highway.

You may not stand in or on a public street to accept or to ask for donations.

Public streets, including medians, shoulders, and gutters, are for vehicles and are not for you to walk or stand in.

You may walk on the shoulder of a public street only if there is no public sidewalk.

You may walk on public streets in order to cross them if you follow the City's traffic laws.

State and/or city citations can be issued to you by the police if you violate these laws.

~~~~~

Soliciting on private property is trespassing if the private property owner does not allow it.

~~~~~

If you need help, the safest and best way to get it is to contact one of the agencies listed in this brochure.

The Mayor's Homeless Task Force was created to bring together representatives from the public and private sectors once a month to discuss common goals and share resources. The Mayor's Homeless Task Force meetings are scheduled for the third Thursday of each month at 2 p.m. in Room 218 at City Hall. These meetings are open to the public, and all are invited to attend.

In addition, we hope this list of services will be helpful, and we recognize it may not be an exhaustive list of all agencies providing services in our community. If you have questions or need help, please contact us or one of the identified agencies. The community and these agencies are here for you.
